

Balmoral School Gr8 Day Out

Balmoral School GR8 Day Out was a success last Saturday with \$58,000 raised for the school. We couldn't have asked for better weather!

Mum, Dad and the kids were out and about having loads of fun and picking up some bargains.

Our Farmers Market went down like a treat with all sorts of goodies being snapped up. Word got out pretty quick as the kids were queuing for their free Helium balloon compliments of Andre and I; they kept us extremely busy!

The day finished with Andre on stage as the Charity Auctioneer pulling in those bids. Thanks Andre!

Also a big thank you to Michelle Hicks our PA who was the chief organiser extraordinaire and also Ginger Birds Cafe for their contribution to our mystery prizes!

We're proud to be supporting our local community.
